OFFICE OF THE CHAIRMAN

MEMORANDUM FOR: [REDACTED]

Special Assistant to the Director

25X1

SUBJECT

: Exhibition of Technical Surveillance Counter-  
measures Equipment and Techniques

The TSCC is sponsoring subject exhibition of community develop-  
ments at a nearby facility in Washington. Although I am quite sure  
that Mr. Helms would not be interested in attending (and I see no  
reason for urging him to do so), I thought you might wish to mention  
the exhibition to him since all of the USIB principals have been invited.  
A copy of the invitation to Admiral Taylor is attached which gives  
further information on the exhibition.
